Your Excellency,

I refer to my letter dated 13 July 2017 concerning my clients' claims under the 1987 ASEAN Agreement, together with a follow-up letter dated 14 August 2017. Copies of those letters are attached for your convenience.

The letter of 13 July 2017 proposed a timetable for resolving the dispute. The second milestone on that timetable was that "Malaysia's representatives will meet with our clients' representatives in Singapore or another mutually convenient location to explore settlement options" by 7 September 2017.

That deadline has now passed. Permit me, respectfully, to remind Your Excellency of it, as well as of the other items on the timetable.

Respectfully,

Paul H Cohen
